

Holiday Tour of Homes and Silent Auction

The Holiday Tour of Homes and Silent Auction is a fun evening for women of our church and community. They enjoy great food and fellowship, tour several seasonally decorated homes and bid on beautiful household, holiday and home backed items in a Silent Auction.

All proceeds of the Silent Auction go to help stock the Missionary Cupboard at the Lake Geneva Christian Center in Alexandria. The “cupboard” is a small warehouse filled with various homemaking items. These are available without charge to missionary families on furlough and pastoral families.

Our next event will be on November 21, 2008. For more details contact Randi Huisinga at rrhuisinga@charter.net.
