

Teen Mops(Mothers of Preschoolers)

Mission Statement: To Nurture Young Moms for the Glory of Jesus Christ.

Teen Mops is dedicated to meeting the needs of young mothers who find themselves trying to fill the role of "mom" while they are still trying to grow up themselves. All meetings encourage these young mothers to voice their many concerns, fears and joys while knowing that their children are in good hands during each meeting (we offer free childcare!). In Teen Mops the teaching, activities and friendships are all focused on the very distinct needs of teenagers. Teen mops helps young moms become more self-sufficient, confident, mature, giving, and self-aware young women.

We meet the 1st and 3rd Thursday of each month (5th Thurs when applicable), from 6:30 - 8:30 pm. Each night is packed with many learning opportunities, times of laughter, bonding moments, and wonderful treats. We see each young mom attending not as a statistic, but rather as a very courageous young women with a story, a beautiful child, and a future filled with potential and hope !

Teen Mops is a place of encouragement where motherhood is valued, and women are special no matter what their status, education, or personal issues.
