

*"A word aptly spoken is like apples of gold in a setting of silver." Proverbs 25:11*

**Apples of Gold** is a mentoring program based on Titus 2:3-5. Its primary purpose is for older women in the church to nurture and teach younger women in their spiritual and personal lives.

Each week includes a meal, practical skills in cooking and home-making and a Bible lesson taught by one of the mentors.

Our goal is to connect young women with each other and with older women of the church. They meet for seven weeks in the fall in mentors homes. Each week the young women are welcomed, loved and pampered for three hours. On the seventh and final week, the spouses are invited to attend and enjoy a celebration dinner. Class size is limited to 10 young women.

The cost is \$10.00. If you are interested in learning more, please contact Randi Huisinga at [rrhuisinga@charter.net](mailto:rrhuisinga@charter.net).

**COMMENTS BY WOMEN WHO HAVE TAKEN THE COURSE:**

*"I just can't tell you how even the simplest things that were taught are so valuable to me. To be in an atmosphere of love to ask anything was so wonderful. It has awakened in me what being a woman of God truly is and I'm excited!" Ann*

*"You make me feel like a part of your family. You created in me a sense of urgency to grow in my faith...I am praying every morning. Thanks for giving me clarity. Thanks for re-igniting my journey of faith and grace." Angie*

*"Just wanted you to know I was very blessed by the Apples of Gold program. These last weeks have been great because I was able to make connections and friendships with the ladies in our group. I want you to know how deeply I appreciate the mentors." Crystal*
